

MWS ANNUAL ONLINE SHOW

# UNLOCK

1 - 30 NOV 2021

***“Small paintings  
made with big hearts”***,

while The Malaysian Watercolor Society's latest online exhibition focuses more on smaller paintings, the exhibition aims to deliver a bigger message. The intention is not to conduct sales, but solely to share art. The exhibition is a platform for members to showcase their individuality and creativity. Set with affordable prices, this is a rare opportunity for everyone to collect their favorite painter's paintings. After the exhibition, participating artists are each given an opportunity to acquire one of the unsold paintings in a lucky draw. A chance to collect paintings while gaining more collectors for your own artworks, why not?

This is a great opportunity for watercolour lovers to share the passion, and I would like to thank you all who support the craft.
